Hush now, hush now. Hush now, hush now.

2)
God, please forgive me, where I've done wrong,
quiet my mind and calm my soul.
Rest now, rest now

3)
Please let your angels watch over me,
while twinkling stars sing gently.
Dream now, dream now.

4)
Your loving arms hold me now,
keeping me safe till morning.
Sleep now, sleep now.

5)
I lay my head down, close my eyes,
I hear the world go silent.
Hush now, hush now.
